10:07:22 PM The project contains at least one database with embedded signatures. You can verify these signatures by clicking the "Verify Signatures..." button in the toolbar.

AXIS P3245-LVE Network Camera (10.20.62.110) - Camera 1 - 1/29/2021 2:33:49.145 PM

The video frame shows a man with a grey beard and sunglasses, wearing a dark suit jacket over a light-colored shirt and dark trousers, walking on a concrete path. He is positioned between two large, reddish-brown brick pillars. To the right of the path, there is a yellow ribbon-shaped sign and a black mailbox mounted on a wooden post. The background consists of a grassy area and a tree. A small inset window in the bottom right corner shows a wider view of the same scene.
